

WING-HUEN IP

Wing-Huen Ip was born in Nanjing, China, but grew up in Macau. He received his undergraduate education in Hong Kong (BA, CUHK, 1969), and graduate training in USA (MA, Pittsburgh, 1970; PhD, UCSD, 1974). His main research fields are cometary physics, planetary science, solar system evolution and exoplanets. He worked at the Max-Planck-Institute for Aeronomy (now MPI for Solar System Research) from 1978 to 1998 prior to his employment at Institutes of Astronomy and Space Science, National Central University, Taiwan. He is currently serving as Vice Chancellor of the University System of Taiwan. He has served as European Editor for Journal of Geophysics (Space Science), Executive Editor of Planetary Space Science, and Editor-in-Chief of Advances in Geosciences. He was Founding President of Asia Oceania Geosciences Society. He is member of International Academy of Astronautics (2000), AGU Fellow (2007), and Honorary Member of AOGS (2008). He was awarded the Exceptional Public Service Medal of NASA (2009) for his work on the Cassini-Huygens mission to Titan and the Saturnian System.
