

**Lei ZHOU**

*State Key Lab of Satellite Ocean Environment Dynamics  
Second Institute of Oceanography*

Dr. Lei Zhou received his Ph.D. in the Department of Atmospheric and Oceanic Sciences at University of Maryland, College Park. He was then awarded the NOAA Climate and Global Change Postdoctoral Fellowship and did the postdoctoral research at Lamont-Doherty Earth Observatory, Columbia University. Dr. Zhou joined the State Key Laboratory of Satellite Ocean Environment Dynamics at the Second Institute of Oceanography in year 2012. Dr. Zhou's main research interest is the ocean-atmosphere interaction, tropical dynamics, and intraseasonal variabilities. Dr. Zhou has published more than 20 peer-reviewed journal articles, including publications in *Journal of Climate*, *Journal of Physical Oceanography*, *Journal of the Atmospheric Sciences*, and *Geophysical Research Letters*. Dr. Zhou is currently an Associate Editor of *Journal of Geophysical Research - Oceans*, and a member of Physical Oceanography and Climate (POC) Committee in the North Pacific Marine Science Organization (PICES)
