

MEMORANDUM OF UNDERSTANDING

Between

The Asia Oceania Geosciences Society (AOGS)

And

The Japan Geosciences Union (JpGU)

AOGS and JpGU hereby agree to promote collaboration between the two organizations including developing opportunities for their members to expand their international experiences. In particular AOGS and JpGU agree to promote the following activities:

1. Organization of joint events including but not limited to joint sessions at meetings; and
2. Exchange of information concerning development of earth and planetary science in general and in particular on meetings held by both organizations.

AOGS and JpGU agree the following terms will apply to their collaborative activities.

1. Neither organization shall have any financial obligation to the other.
2. Each organization will offer the other one exhibition booth at its main annual meeting at no cost.
3. Both organizations will seek opportunities for scientific collaboration of mutual benefit.
4. Both organizations will seek opportunities for exchange of information and collaboration between the business offices.
5. Each organization will list the annual meeting of the other organization in its advertisement of upcoming events.
6. Both organizations will arrange for the participation fees to be waived for leaders or representatives of the other organization when attending each other's main annual meetings. These registration wavers will be available to a maximum of 2 persons per meeting.
7. Both organizations agree to offer each other's members registration at the member rates for their main annual meeting.

This memorandum shall be reviewed every three years and may be dissolved by either organization at any time with 30 days' notice.
