

AOGS2026 in Fukuoka, Japan

Reminder: 3 Days to Submission Deadline

This is a friendly reminder that the deadline for abstract submissions and funding support applications is in three days.

Important notes:

- An accepted abstract is a pre-requisite for funding support consideration.
- Funding support, if approved, covers the registration fee. The funding support does not cover abstract submission fee, travel, accommodation, meals or other personal expenses.
- After logging in to MARS, anyone who qualifies for funding support application will see this item in the "Attendee Options" menu.
- The abstract processing fee is based on the current AOGS membership status. If you are not already a AOGS member, the cost will be SGD85.

Frequently Asked Questions:

- Will there be a deadline extension?
The secretariat has not yet received word on whether the initial deadline will be extended. Nevertheless, the submission portal typically remains open for up to seven days following the deadline.
- Is it possible to present virtually?
The secretariat has not yet been told that there would be a virtual component. If any, an official announcement will be made. As such, it will be prudent to assume that remote/virtual presentations may not be permitted!
