

AOGS2026 in Fukuoka, Japan

Abstract Submission & Funding Applications Now Open!

The portal for abstract submission and funding support applications for the AOGS2026 Annual Meeting is now open. This is your first step to presenting your research and joining our vibrant scientific community in Fukuoka, Japan.

Key Deadline: 23 January, 2026

Abstract Guidelines

Contain text-only and may not exceed 300 words

A non-refundable processing fee is required (SGD55 for current AOGS members, SGD85 for everyone else)

Funding Support

AOGS offers several schemes, including Reduced Fees and Student Volunteer (fee waived) opportunities

Submission Platform

All submissions are handled through the online MARS system

Important Announcement: Fee Discount Proofs

Fee Discount Proofs

New, streamlined process for verifying your eligibility for discounted registration rates (e.g. partner society membership status, student status, retiree status, etc.). This means you can submit your supporting documents in advance and have them verified before registration officially opens.

Special Feature: Leadership Perspectives in Challenging Times

A special video recording from AOGS2025 is now available, featuring interviews with leadership representatives from AGU, EGU, JpGU, AOGS and CGU (in Taiwan). This discussion focuses on supporting sciences and scientists during challenging times.

You can find this insightful conversation in the archive section of the AOGS society website:
