

This February 2024 issue of AOGS2024 conference updates focuses on a number of conference and travel related concerns.

1. Important Change to Talk Time for Oral Presenters

Please be informed of an essential modification to the oral presenters' presentation time. After carefully examining the conference schedule, the program committee found that, unfortunately, they had to shorten each talk's speaking duration (including changeover) from the customary 15 minutes to 12 minutes due to the overwhelming demand for oral presentations and the need to cover a wider range of topics. This is a temporary exception intended specifically for AOGS2024.

2. Presentation Mode (Oral or Poster) and Presenter Schedule

This information will be sent to all presenting authors sometime March - April 2024

3. Expiration date for Funding Support & Fee Waiver Extended to Attendees

Date of Expiration: 6 March 2024 (Midnight on 5 March 2024) Singapore Time.

Prior to the expiration date, recipients of reduced fees, fee waivers (for student, volunteers, speakers, honorary members and invited guests) must finish the registration process.

4. Presenting Author Registration and Early Bird Discount

The deadline is 13 March 2024 (Midnight on 12 March 2024) Singapore Time.

Registration fees will increase after 12 March 2024. Accepted abstracts will not be included in the programme if they are not supported by a completed registration

5. Transportation to Conference Venue

Please be aware that owing to seasonal variations, transportation options and schedules in South Korea will vary. Reservations for rail (KTX) travel open just one month in advance of the departure date. This service departs from "Seoul Station". "Jinbu Station" is the disembarkation point.

Approximate fare is KRW 26,300 (First Class) and KRW 21,900 (Economy Class). More information and booking here:

<https://koreatravelplanning.com/ktx-tickets/>

If you choose to go by bus, please stay informed about AOGS updates nearer the time of the conference, in March - April 2024.

6. Bookmark <https://www.asiaoceania.org/aogs2024/public.asp?page=home.asp>

By doing so, you can conveniently access AOGS2024 conference resources such as schedules, session details, speaker information and any other relevant documents or materials.
